

## ARIA

### Canopy, Track SW

982 blue

980 clear

983 green

#### DESCRIPTION

- Bruck's European and American Artisan, mouth-blown glass is known throughout the world for its quality and beauty. Offered with cutting edge LED technology along with several mounting options, colors and finishes allow for a unique design. Most of Bruck's mini-pendant glass allows for easy screw-on/screw-off for a simple installation or design change. Pendant L<sub>70</sub> is 145,000 hours of operation.

#### HOUSING

- The hardware is offered in matte chrome or chrome finish and seconds as the pendant thermal heatsink.

#### MOUNTING

- The pendant can be mounted from Bruck's field adjustable canopy. The standard overall cable length of 59" can be field-cut or specified when ordering. Overall cable length is measured and begins from top of canopy. See the decorative Junction Box Cover for open ceiling applications.

- Optional track mounting: Global Trac Systems, GEO track, ECO track / HALO® Power track, and Zonyx track. Overall cable length begins at the shoulder of the ECO/GEO adapter and the track center of the Zonyx adapter. Cable length measurement ends at the top of glass or to the mounting arms.

- Kevlar coated cable for easy cleaning, short circuit protection, no discoloration and fraying over time.

#### LISTING

- Listed to UL1598 and UL1574 (Suitable for dry locations only)  
 - Listed to CSA C22.2 #250.0 and #9.0
