

## RENATA MEDIUM OVAL

Pendant E26

WEPLIGHT  
COLLECTION

### DESCRIPTION

- WEP Light (Wood Ecological Project) is designed, handcrafted in Argentina and assembled in the USA. A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art in a variety of styles and sizes. A plethora of colors for interior and exterior of the shade are offered. Acoustic WEP lights are offered in multiple shapes and sizes and are NRC rated by a third-party lab for absorption efficiency. The natural recycled wood in many finish options, is complimented by a natural Argentinian lamb's wool inner shade for superior absorption. Factory assembly for most shades.
- Due to hand-crafted nature, colors vary from fixture to fixture and from photo.

### HOUSING

- Sustainable, recycled, reconstructed wood veneer
- Factory assembled shades with some exceptions due to size

### MOUNTING

- Renata 200: Air craft cable suspension with black or white canopy and 108" black or white cord, field adjustable.
- Renata 200MOVL: 17.15 lbs.

### LISTING

- ULus listed to UL1598 (suitable for indoor use and dry locations only)
- cUL listed to CSA C22.2 #250.0
